STATEMENT IN RESPONSE TO ORDER TO SHOW CAUSE

Clear Channel Broadcasting Licenses, Inc. ("Clear Channel"), the licensee of Station KJYO(FM), Channel 274C, Oklahoma City, Oklahoma (Facility ID No. 11918), by its attorneys, hereby responds to the Order to Show Cause, DA 04-2504 (released August 12, 2004) in the above-captioned proceeding (the "*Order to Show Cause*").

The *Order to Show Cause* stated that a petition for rule making to allot Channel 275C3 at Tupelo, Oklahoma, filed by Charles Crawford ("Crawford") proposes the reclassification of Station KJYO(FM) from a Class C to a Class C0 station, pursuant to note 2 of Section 1.420(g) of the Commission's Rules. The *Order to Show Cause* provides Clear Channel the opportunity until September 27, 2004, to file a written statement as to why the license for Station KJYO(FM) should not be modified to a Class C0 facility as proposed.

This written statement responds to the *Order to Show Cause*.

Pursuant to note 2 of Section 1.420(g), note 4 of Section 73.3573, and Section 1.87 of

the Commission's Rules, Clear Channel hereby states its intent to seek to modify Station KJYO(FM)'s facilities by the filing of an acceptable application for a construction permit to increase the antenna height to at least 451 meters HAAT and specifying an effective radiated power of 100 kW. Clear Channel intends to file such an application with the Commission within 180 days of September 27, 2004, as provided by the Commission's Rules. Consequently, the license of Station KJYO(FM) should *not* be reclassified as requested by Crawford. Moreover, as set forth in note 2 of Section 1.420(g) of the Commission's Rules, Crawford's petition must be dismissed upon the filing by Clear Channel of an acceptable construction permit application to increase the antenna height of Station KJYO(FM) to at least 451 meters HAAT

Respectfully submitted,
